

Lab 001.1 Book of Time

[Long Now Labs](#)

Deadline: June 5, 02026

This Long Now Lab invites you to submit a concept for a new way of marking, experiencing, or making sense of time. This Lab is open to everyone, from precocious kindergarteners to prestigious watchmakers, from engineers to essayists to experimental artists

Reviewed by leading artists, philosophers, and technologists, the top 25 most compelling concepts will be included in a Long Now print book and digital anthology, added to the permanent collection of The Long Now Foundation library and archive. We will additionally select the top 3 concepts for follow on investment and development into a working prototype.
